

# NORMEST® EASY SELF TAPPING FASTENERS

**NORMEST®** fasteners were developed to provide strong connection between assembly parts with high strip-to-drive ratio.

**NORMEST®** is a self-threading fastener providing customers to eliminate tapping operation of pilot hole and also provides vibration resistant connection.

Section C - C  
Constant Thread Zone

Section D - D  
End - Point

Basic dimensional specifications(mm)

Originally developed thread geometry of **NORMEST®** allows excellent thread forming on the assembly hole.

Superior four-cornered form provides low thread forming torque.
